

July 20, 2020

Dear Parents of Northside Kids,

We are excited to reopen our NCC kids ministry this coming Sunday, and it's promotion Sunday! We are taking additional steps to keep our classes safe (and fun) for your family. We want you to know what we are doing and how we need your help.

What we are doing:

- We've increased cleaning protocols in our classes before, during and between services.
- Different toys will be used for each service and hard surfaces will be sanitized at every service.
- Volunteers working in close proximity with kids will be masked.
- We are providing a touchless text-to-check experience as an option. Use your texting app to text the word "CHECK" to 417-233-1200. Then use the link provided to check in and select a printer location to pick up your security stickers.

How we need your help:

ONLY CHECK-IN HEALTHY CHILDREN

- Do a health pre-screening of your child before arriving at church including a temperature check. Upon arrival you will be asked to verify that your child is fever free and free from viral symptoms.
- Be aware that you will be contacted to pick up your child should your child begin to experience any COVID-19 related symptom (regardless of whether it is COVID or not)
- Please stay home and participate in online services if your child (or anyone in your household) has had a fever, any COVID-19 symptoms or has been around anyone who has tested positive for COVID-19.

LIMIT PEOPLE & STUFF IN CHILDREN'S AREA

- Send only one parent into our children's area for drop off and pick up to help limit traffic in hallways, and to help limit exposure to kids and volunteers in the rooms
- Drop off and pick up at the doorway without entering the classroom.
- Do not bring diaper bags, toys or other loose items that can carry germs. (For children under 3, a bag and label will be provided at the nursery check in desk for necessary items, such as bottles, sippy cups, pacifiers and loveys)

KEEP HANDS GERM FREE

- Please be sure to use hand sanitizer or wash your hands before entering children's areas and encourage your child to do the same.
- Please change your child's diaper before and after services as our team will not change diapers unless necessary.

Thank you for your help and cooperation!

Tiffany Blum

Children's Minister
