

CHRISTMAS PROGRAM PRACTICE SCHEDULE 2021

The following schedule is for all choir rehearsals. We will meet in the High School Worship Center. All kids need to be at practices as regularly as possible. As you can see, we don't have any room to fudge in the schedule, since we'll be learning a new song with new motions every week. Also, it will be extremely important for your kids to practice their songs at home. Each family will receive a CD and kids should listen to their CD often.
