

YEAR OF BIBLE ENGAGEMENT

In 2021, only 1 in 6 U.S. adults (16%) read the Bible 4 or more days a week. God has revealed himself through his Word but we don't know Him because we are illiterate toward the narrative of God. God engages us through His word but we are not engaging with Him.

Beginning January 2, 2022, we are asking Northsiders to participate with us in a year of Bible engagement by committing to 5 objectives:

- **Read Scripture everyday:** Our Scripture reading plan will take you through the entire Bible in 1 year. You'll read 2-3 chapters every day, and the scriptures are organized in semi-chronological order.
- **Pray a Psalm a day:** Pray through a psalm every day making its words your own. By the end of the year, you will have prayed through the book of Psalms 2.5 times
- **Watch:** Short animated videos from the Bible Project about Bible books, themes and words will enhance and enlighten your Bible engagement.
- **Listen monthly to a lecture:** Each month we will host a lecture based on a Biblical theme from your reading. Dates to be announced.
- **Listen weekly to a sermon:** Sermons will complement your engagement with the Bible throughout the year but will not be directly aligned with your reading
- **Share with others what God is doing:** Many of Our Life Groups will be using these resources starting the week of January 16, 2022. You can also get together with others who are accepting this challenge to share what you are learning.

Our goal is that you engage God's word and invite God to engage you. If you get off track, pick up where we are. Don't be discouraged; don't give up. We will create natural re-entry points, (on ramps) throughout the year to encourage you to pick it back up.

Everyone of us who participates with Northside's Year of Bible Engagement will have to make a commitment to start. Pick a time and a place where you can engage with God everyday.

You can access The Bible Engagement plan and direct links to the videos at NorthsideChristianChurch.net/ybe/.
